

AUTHOR GUIDELINES

The Editorial Process

PJN is an international peer – reviewed, professional journal for nurses. Welcomes articles on all aspects. The manuscripts will be reviewed for possible publication with the understanding that they are being submitted to one journal at a time and have not been published, simultaneously submitted or already accepted for publication elsewhere.

The Editors review all submitted manuscripts initially. Manuscripts with insufficient originality, serious scientific and technical flaws or lack of a significant message are rejected. All manuscripts received are duly acknowledged. Manuscripts are sent to two or more expert and international peer reviewers without revealing the identity of the contributors to the reviewers. Each manuscript is also assigned to a member of the editorial team, who based on the comments from the reviewers takes a final decision on the manuscript. The contributors will be informed about the reviewer's comments and acceptance/ rejection of manuscript.

Types of Manuscripts and Limits

- Original articles: Randomized controlled trials, intervention studied, studies of screening, outcome studies, case-control series, and surveys with high response rate. Up to 3000 words excluding adequate references and abstract.
- Review articles (including for Ethics forum, Education forum, Health related science, E-Medicine, E-Nursing etc.): Systemic critical assessments of literature and data sources. Up to 2000 words excluding with adequate references. Research articles critical review, advertisement, functions celebrated, puzzles and innovation related items.
- Case reports: new/ interesting/ very rare cases can be reported. Cases with clinical significance or implications will be given priority. However, mere reporting of a rare case may not be considered. Up to 1000 words excluding references and abstract and up to 05 references.
