**Freshers party report**

The freshers party (gratus 2014) was celebrated on 25/10/14 in I st floor Lecture hall, KGNC. The programme commenced by welcoming the freshers by their seniors and children from baby sarah home who presented a card for them. The programme was further highlighted by the culturals organized by B.sc (N) I yr, II yr and IV yr students. The Ryzentronzs B.sc (N) II st yr, requested their juniors for self introduction and to reveal their hidden talents. This gave an

opportunity for them to wave off their stage fear. The children from Baby Sarah Home also took part in the culturals. A sum of Rs. 5000/- was given as a token of love to the Baby Sarah home by the B.Sc.(N) II yr students which was a memorable event of the celebration and they were also given a memento each. Our Principal Prof. Renuka K greatly appreciated the organizing batch for their untiring efforts in organizing this wonderful celebration after a long period in the history of KGNC which turned to be a great successful event.

**WORLD DIABETIC DAY**

The World Diabetes Day was commemorated on 14.11.14. The Department Of Medical Surgical Nursing, KGNC joined hands with the Department Of General Medicine, MGMC & RI to organize an Awareness programme and Human puppet show by B.Sc(N) II year students on the theme “**Prevention Of Type I Diabetes Among Young Adults**” The puppet show caught the attention of the public which was evident by their discussion with other people in the MRD and wards regarding the message conveyed in puppet show.
